Dictionary – Merriam-Webster’s Elementary Dictionary**

This is a dictionary that is available at bookstores and school supply companies.

**If your child was in the Third Grade at PCA, he/she already has this dictionary.

I am asking for the extra pencils, pens, etc. because children have a hard time remembering to ask for these during the school year. You may want to purchase extra glue sticks, pencils, and notebook paper at the beginning of the year when they are MUCH cheaper.
