

Athletic Handbook

Dear Athlete:

We appreciate your desire to be a part of Parkway Christian Academy athletics. We offer all registered students the opportunity to participate in a complete athletic program. This means we will seek to encourage and challenge you spiritually, physically and mentally. Our goals are outlined in this information packet, which all athletes must carefully read.

Included in this packet are the following, which must be completed properly and returned to the athletic department:

- 1. Parent Code of Conduct**
- 2. Code of Ethics-Athletes**
- 3. Warning to Athletes and Parents/Guardians**
- 4. Consent to Treat Minors**
- 5. Emergency Medical Information**
- 6. Student Accident Insurance and Athletic Participation Form**
- 7. Physician's Physical Evaluation**
- 8. Coaches Code of Ethics**

We would like to encourage you to do your very best this year in all that you do in the classroom, at home, church and on the field or court. We will provide you with the opportunity to *excel*; we challenge you to make the most of the opportunity given.

God bless your year,

Troy Dixon

Troy Dixon
Athletic Director

PCA EAGLES ATHLETICS

FORWARD

Every aspect of PCA must have as its purpose to train young people to be like Christ. This is also true of the athletic program; athletics is an integral part of the process of training students for Christ. Both athletes and fans will learn many invaluable, practical lessons. It is our prayer that we will work together to make the PCA athletic program a tool in the hands of Christ - for His honor and glory.

WHAT IS CHRISTIAN ATHLETICS?

When the word Christian is used with athletics, it denotes a different style of athletics than that defined by the world.

The word Christian means Christ-like. Christian athletics, therefore, is a competitive event where the objective of the participants is to perform for Christ and bring honor to Him.

Phil. 3:12-14

What is winning? Common answers to that question are: "Defeating your opponent...Taking first place...Being the best." So this is winning? On the physical level, yes! But to the Christian there is more to victory than winning on the physical level. Being a winner from God's perspective is using and developing your abilities to the fullest potential with the purpose of glorifying God with those abilities.

I Corinthians 9:24-27

The Christian Winner's Creed: "I believe that a true winner always strives to do his best, never to the glory of self, but always to the glory of God. With the Lord's help I will strive to be a true winner today."

The Sportsman's Code of Conduct:

The Player

1. He lives clean and plays hard. He plays for the love of the game.
2. He wins without boasting, he loses without excuses, and he never quits.
3. He respects officials and accepts their decisions without arguing.
4. He never forgets that he represents the Lord, himself, his team and his school.

The Coach

1. He inspires in his athletes a love for the game and the desire to win.
2. He teaches them that it is better to lose fairly than to win unfairly.
3. He leads players and spectators to respect officials by setting a good example.
4. He is the type of person he wants his athletes to be.

The Official

1. He knows the rules.
2. He is fair and firm in all decisions. He calls plays as he sees them.
3. He treats players and coaches courteously and demands the same treatment for himself.
4. He knows the game is for athletes, and lets them have the spotlight.

The Spectator

1. He never boos a player or official.
2. He appreciates a good play, no matter who makes it.
3. He knows the school gets the blame or the praise for his conduct.
4. He recognizes the need for more sportsmen and fewer "sports."

PROGRAM

LEVELS OF PARTICIPATION OFFERED: The Board of Directors of PCA has authorized certain athletic programs for male and female students' participation in both Middle School and High School. Generally, varsity and middle school levels of participation are offered.

LEAGUE MEMBERSHIP

PCA is a full member of the VACA Conference. PCA competes in the in the South Region, Southwest District of the VACA Conference.

VACA Conference

North Region

North District

Blue Ridge
Grace Christian
Mt. Carmel Christian
Fresta Valley
Ridgeview Christian
United Christian
Stuart Hall
Regents School of Charlottesville

Smith Mountain Lake Christian Academy

PCA currently participates in the following sports: Volleyball (MS and Varsity), Cross Country (MS and Varsity Boys and Girls), Basketball (MS Girls, MS Boys, Varsity Girls, and Varsity Boys), Golf, Soccer (MS Girls), and Baseball (MS and Varsity).

GENERAL POLICIES

Practice Policies

It is my belief that the most critical component of our success is practice. A team will never play better than they practice. Therefore, it is critical that each team practice with the same intensity and effort that is given during a game. Everyone is expected to give 100% effort in every practice for the benefit of the TEAM. Each player must accept their role during practice and perform that role to the best of their ability. Because I believe that each player fulfills a vital role to the TEAM, all practices are mandatory. Playing time is earned at practice. Therefore, it is absolutely essential that all players attend every practice. In order to reinforce this belief, I am instituting the following attendance policy:

Excused Absences will include:

- a. School Absence. If a player is absent for any portion of the school day that is not excused, the player will not be allowed to practice.
- b. School Functions. School functions that cannot be scheduled at another time will be excused. Students have many responsibilities in the classroom, and to other activities. However, it is expected that players will schedule meetings, test make-up, etc. around the

scheduled practices whenever possible. *Please notify the head coach of your team IN ADVANCE when potential schedule conflicts arise.*

- c. Injury. If a doctor, because of injury or illness, withholds a player from practice, they are still expected to come to practice to continue to learn and to encourage the TEAM. *Players will not be allowed to resume participation until the head coach of your team receives written clearance from the player's doctor.*
- d. Family Emergencies. Obviously, there are situations in life that we cannot always anticipate. However, if a player is going to miss practice for a family-related reason, *a parent should contact the head coach of the team before the beginning of the practice if at all possible.*

All other absences, *unless specifically cleared by the head coach of the team IN ADVANCE, will be considered unexcused.*

Consequences of Unexcused Absences: Unexcused absences and other disciplinary Issues will be handled on an individual basis at the discretion of the head coach of the team. Possible consequences may include, but are not limited to, not starting the next game, suspension from team, extra conditioning, temporary reduction of role on team, or dismissal from the team.

2. Players who miss practice jeopardize their starting status and/or playing time. Team repetitions are critical for the success of the team and cannot be duplicated through make-up practice.
3. Players who miss practice may be asked to make-up the practice session by attending an optional practice or workout, doing a book report, or helping with a lower level practice (middle school, junior league, etc.) Those who miss practice due to illness or school functions will not be required to make-up time.
4. Players may not start the following game after missing a practice.

Important: These policies apply to all practices. This includes weekend, holiday, and morning practices.

Practice Rules

- 1) **Be on Time:** Players are to be in the center court circle, dressed and ready (shoes on and tied) for practice before the coach blows the whistle for the start of practice.
- 2) All players must wear a reversible practice jersey to all practices. (when provided).
- 3) **Productive Complaining- Finding Solutions.** If a player has a complaint they should bring it to the coaching staff at the appropriate time. We hope that players will communicate their frustrations with the coaching staff so that solutions can be found. However, complaining during practice is counterproductive and we ask that it be kept to a minimum during that time (see below for tips on complaining). Our goal with all frustrations is to change complaints into solutions, and that can only happen if players and coaches work together for the betterment of the team.
- 4) There will be absolutely NO TEXTING or cell phone use without prior permission during practice hours!

Practice Expectations

In order for our teams to become the best team they are capable of becoming, each team must make the most of their limited practice time. Players are expected to give maximum effort during practice. Players are expected to set aside any distractions from the day and to focus solely on the practice during the practice time. Players are expected to work hard, care for their teammates, and pursue excellence in the sport they are playing.

Lettering Requirements

Only players on Varsity teams at PCA are eligible for earning a letter. Junior League, Middle School, and JV players will receive a certificate of participation for playing.

Criteria for Earning a Varsity Letter:

1. Must be enrolled as a full-time student at PCA.
2. Players must play in the following for each sport:
 - Cross Country:** 50% of meets the team ran.
 - Volleyball:** 50% of the games played (not matches). If they appeared in a game they are considered to have played in the entire game.
 - Soccer:** 50% of the halves played (# of games divided by 2)
 - Basketball:** 50% of the quarters played (# of games divided by 4)
 - Baseball:** 50% of the innings played
 - Softball:** 50% of the innings played
 - Golf:** 50% of matches played
3. Regular attendance at practices. Excused absences do NOT count against practice attendance. However, all other absences must be made up to qualify for a varsity letter.
4. Academically eligible for the entire season.

Second Option for earning a Varsity Letter

Complete three years of the sport at the varsity level while remaining academically eligible and in complete compliance with the good conduct policy for all three years AND have regular attendance at practice for the current season.

ALL PLAYERS have the responsibility to compete in practice with great enthusiasm for the success of the TEAM. Rotation and reserve players must understand that part of their responsibility is to prepare the starters for their next opponent and to contribute in whatever ways necessary to achieve success as a TEAM.

***NOTE – The coaching staff may choose to letter additional players based on their contribution in practice to the varsity team's success.

Who Starts and Who Plays

The most important part of our program is the TEAM. Everyone has an equal commitment to, and responsibility for, the TEAM. Everyone is an equally important member of the TEAM, but each player will have their own role. For some, this role will be a starter, for others, it will be a substitute who plays little in games, but who provides a quality effort in every practice to prepare us for our next opponent. We all must realize the importance of fulfilling our role to the best of our ability for the good of the TEAM.

Below is the Criteria Set in relation to playing time:

The best players at each position that form the best TEAM will start. We will play the best players, no matter what the grade they are in school. This will be directly determined by a player's practice performance, and not by a player's potential, past experience, etc.

However, the best players may **FORFEIT** their starting position or playing time for many reasons including, but not limited to, those listed on the page entitled "Playing Time Disqualifiers".

Other variables influencing starting positions and playing time decisions include:

An individual's hustle, attitude, and work ethic in practice. We expect players to perform in practice as they would in a game.

An individual's health and injury status. We want to be successful, but we must always consider the health of our athletes. When in doubt, we will error on the side of safety to protect the health and well being of the individual athlete.

An individual's ability to perform the responsibilities of their position. This means the individual has a good understanding of the systems in place and can execute them in a game situation.

Playing Time Disqualifiers

- Breaking TEAM rules for game-day dress code, conduct at school, attendance at practices.
- Demonstrates lack of effort during practice.
- Does not understand or execute the responsibilities of their position. Players must know WHAT they are supposed to do at all times. Those who do not know their responsibilities will not play until they do.
- Players must demonstrate enthusiasm for the TEAM while on the bench. Those players who do not applaud their teammates' effort, or do not demonstrate that they are "into the game" (paying attention during the game, during timeouts, etc.) will not be substituted into the game.
- Displaying ANY attitude detrimental to the TEAM in practice, on the bench, in the locker room, on the bus, etc. Players must put the TEAM FIRST in all situations. Those that complain or speak negatively of their teammates or coaches may disqualify themselves from playing in the game.
- Failure to manage frustration. When athletes allow frustration to fester their performance will inevitably decline. This is detrimental to the team's ability to compete and will result in a substitution until the player has regained control of their emotions.
- Showing disrespect toward teachers, coaches, teammates, officials, receiving a technical foul, playing "dirty", taunting, using profanity, not helping others up (from both teams), not retrieving the ball for the official, etc.
- Violating the school's eligibility policy.

***These behaviors may result in immediate substitutions in game situations. Regardless of skill or status, a player who violates any of these rules may FORFEIT playing time and / or a starting position. It is vital that players understand these policies.

*****IMPORTANT*****

We expect players to demonstrate character, respect, and integrity at ALL times. We must always remember that our behavior, our attitude, and our language represent our teammates on and off the court. We want to live and play in a manner that reflects positively on our program, our school, and our Savior. Therefore, players who do not represent our program responsibly off the court may face consequences at the coaches' discretion.

NOTE: All violations are subject to penalties assigned by the Good Conduct Policy. Conduct violations may warrant additional penalties as described by school policy.

Game Day Expectations

GAME DAY DRESS

There are two important values that are communicated by how we dress for game days, and regardless of what we do on a specific day, these values will be communicated in what we wear.

- 1) UNITY- All players will be dressed in a similar manner to demonstrate we are a team, and that game day is a special day.
- 2) The SPORT WE ARE PLAYING IS IMPORTANT- Therefore, we will not dress like everyone else on game days. We will set ourselves apart by what we wear.

Each Coach with instruction from the AD will determine game day attire.

SCHOOL ATTENDANCE

It is important that all players and parents be familiar with our school attendance policies. For players to participate in games they must be in attendance for AN ENTIRE DAY OF SCHOOL, unless their absence is excused (Doctor, Funeral, etc.)

The policy above is the same for practice as well. A student cannot participate in practice without having attended school for the entire day unless the absence was excused (Doctor, Funeral, etc.)

Miscellaneous Information

Good Conduct Policy

All players will be expected to abide by the Good Conduct Policy during the season. Players will be subject to suspension for violating any of the following criteria:

- Becoming academically ineligible at any time during the season.
- Being in possession of tobacco, alcohol, or any illegal substance.
- Being in the presence of those who are using alcohol or any illegal substance.
- Fighting on school grounds or at a school-sponsored event.

- Being disrespectful to school staff or a behavior problem during school hours.

SPORTSMANSHIP: Proper game conduct is important to the name of the school, but more importantly, to the name of Christ.

- a. Comments by athletes and coaches should be uplifting, positive and encouraging.
- b. Verbal abuse of athletes or referees is forbidden.
- c. Athletes must show respect for coaches and officials and may not be argumentative.
- d. Actions of athletes and coaches should set a positive, encouraging tone for the fans, etc.
- e. Discrimination against athletes or officials based on race, color, national or ethnic origin is forbidden.
- f. Conduct judged to be improper by the coach, an official, the Athletic Director, or school administration, may result in immediate benching.

UNIFORMS: A uniform will be issued to each player for the season. It is the athlete's responsibility to keep the uniform clean and in good condition. If the athlete loses the uniform assigned to them, he/she is responsible for funding the replacement cost of that uniform. Please see that the uniform is **WASHED AFTER EACH TIME IT IS WORN!** Uniforms that are not laundered after each use become stained and are not presentable to be worn for the following season and the appropriate replacement costs will be assessed. ****RETURN OF UNIFORMS: ALL UNIFORMS ISSUED MUST BE TURNED IN TO YOUR COACH ON THE LAST GAME DAY****

DRESS CODE: Students must travel to and from games in team uniforms, team warm-ups, team shirts, shirts and ties, or school dress code. Students are to look neat and clean at all times when representing PCA. **All shirts must be completely tucked in and worn at the natural waistline.** Students are not permitted to wear jewelry during practices or games.

DISCIPLINE

Students must always conduct themselves in a Christ-like manner and according to the school policies. Any athlete who participates in the possession of, or consumption of, alcoholic beverages, illicit drugs or tobacco, or who has in his/her possession drug paraphernalia, shall be automatically expelled from the team for that season.

Students are disciplined for the following:

- a. Disrespect to the coach or another adult or team member.
- b. Misconduct in the locker room at practice or during a game.
- c. Unexcused absence(s) from practice(s) or game(s).
- d. Inappropriate behavior on road trips.
- e. Receiving two or more points a week

When discipline is necessary, the coach will administer one of several options:

- a. Suspension from part of/all of practice(s).
- b. Suspension from one or more game(s).
- c. Suspension from the team.

Parents will be notified of all major disciplinary action either by phone or by written notice. The athletic director and the principal must sign a written notification of suspension from the team. The fee paid for participation on the sports team is not refunded if a student must leave the team for disciplinary reasons.

Students seriously violating the athletic disciplinary code may be expelled from the team after a meeting with the student's parents, coach, and athletic director.

School disciplinary action takes precedence over athletic practices or contests. Students must fulfill any discipline which is assigned after school before attending a sports practice or game.

ELIGIBILITY

To be eligible for practice, the student must be on the list of academically eligible students, and turn in their Parent Permission Forms and Physical Examination Form to the athletic office.

PHYSICAL EXAMINATION: An original physical form from the doctor's office must be on file in the office by the first practice. Prior to first practice for participation in junior league, middle school, and high school sports, a student shall undergo a medical examination and be approved for interscholastic athletic competition by a medical authority licensed to perform a physical examination. A student shall furnish an original statement, signed by a medical authority licensed to perform a physical examination, which provides a clearance for continued athletic participation. A physical exam allows the student to play for 12 months.

Statisticians, managers, record keepers, ball boys, etc. must also have a Parent Permission Form on file in the office. They are not required to have a physical.

INSURANCE: If your student is covered by family medical insurance, please provide that information on the Consent to Medical Treatment of Minor Children. If they are not covered by family medical insurance, the school's insurance will cover your child.

The Athletic Director will inform the coach, athlete and parents of any ineligibility due to grades or behavior.

STUDENT MEMBER OF SCHOOL: An athlete must be a regular member of the school he/she represents. A regular member is defined as a traditional student enrolled half time (4 classes) or more, exclusive of interscholastic athletic activities. Athletes must be registered and accepted before they turn out for a sport.
*exceptions approved by Senior Administrator

ACADEMIC ELIGIBILITY: It is a privilege to represent PCA in athletics. Each student athlete is expected to be a Godly example in the classroom, their sport (attitudes, actions, and conduct while playing the sport), and overall conduct when traveling to other schools. It is important that each student and parent understand each student athlete is here first and foremost to be a student. Any student athlete who is deemed to be a negative example for PCA will not be allowed to continue to participate in athletics.

Each student athlete will need to keep an overall minimum "C" average without any "F's" in any classes for the Quarter. This standard will be checked on a weekly basis beginning the first Friday after the sport begins to practice. The grades will be checked every Friday at the beginning of the day.

If a student athlete's grades fall below the minimum overall "C" average or has an "F" in a class, the student will not be able to participate in any way with the athletic team until the grades meet the standard again. This means that if the student athlete's grades fall below the standard the student athlete cannot practice, play in games, or travel with the team to the games. The period of ineligibility is from Friday to Friday. Coaches may add a policy at the beginning of the season that holds the players to a higher standard.

It is the student athlete's responsibility to have all homework, tests, quizzes, etc. taken before the grades are checked on Friday afternoon. No student athlete will be allowed to do make-up work after the grades have been checked to change the result of the grade check.

ELIGIBILITY FOR ATHLETIC AWARDS

GENERAL REQUIREMENTS: Award recipients must be of high Christian character. If injured, the quarter requirements will be pro-rated. The athlete must attend all the games.

A student may not have been suspended or been involved in any serious school disciplinary action, or he/she may not have received any other serious team disciplinary action.

Coaches may, at their discretion, recommend for awards students who have not met the specific requirements, but have shown dependability, determination and effort in all practices and games. The athletic director gives final approval for this exception.

LETTER AWARD

All students playing on Varsity Level teams may receive a letter as outlined below:

Athletes not eligible for letters (i.e. Middle School and JV athletes and those not meeting specific requirements) will receive a certificate of participation.)

A student must finish the season and be enrolled as a full-time student at the time of presentation to be eligible for a letter.

A student enrolling late in the season must participate for at least 50% of the season to be eligible for a letter and for post-season competition. Letters will be awarded to those who meet specific requirements for the given sport.

If they fulfill the other general requirements, seniors are eligible for letters regardless of specific requirements if the coach deems them eligible.

Letters are given as follows:

- 1st year of eligibility - letter and emblem
- 2nd year of eligibility – stripe/bar
- 3rd year of eligibility – stripe/bar
- 4th year of eligibility – stripe/bar

SPECIFIC REQUIREMENTS: Middle School and JV athletes and Intramural sports participants will not receive letter awards, but will receive a certificate of participation

Criteria for Earning a Varsity Letter:

1. Must be enrolled as a full-time student at PCA.

2. Players must play in the following for each sport:

Cross Country: 50% of meets the team ran.

Volleyball: 50% of the games played (not matches). If they appeared in a game they are considered to have played in the entire game.

Soccer: 50% of the halves played (# of games divided by 2)

Basketball: 50% of the quarters played (# of games divided by 4)

Baseball: 50% of the innings played

Softball: 50% of the innings played

Golf: 50% of matches played

3. Regular attendance at practices. Excused absences do NOT count against practice attendance. However, all other absences must be made up to qualify for a varsity letter.

4. Academically eligible for the entire season.

Second Option for earning a Varsity Letter

Complete three years of the sport at the varsity level while remaining academically eligible and in complete compliance with the good conduct policy for all three years AND have regular attendance at practice for the current season.

ALL PLAYERS have the responsibility to compete in practice with great enthusiasm for the success of the TEAM. Rotation and reserve players must understand that part of their responsibility is to prepare the starters for their next opponent and to contribute in whatever ways necessary to achieve success as a TEAM.

***NOTE – The coaching staff may choose to letter additional players based on their contribution in practice to the varsity team’s success.

TRANSPORTATION

All athletes will ride PCA transportation to games. They also will ride PCA transportation home unless they go home with their own parent. Coaches are responsible to provide supervision for their players on all bus rides, to ensure safety and appropriate behavior.

When using school transportation to away games, girls and boys will not be allowed to sit together. Students must follow rules and sit facing the front or to the side, never standing or facing backwards while bus is in motion.

Athletes may drive their own cars to practice with parent permission.

Season Overlap Policy

The following is our policy regarding overlapping athletic seasons.

Occasionally, the end of one athletic season will overlap the beginning of another athletic season. In these instances, we want to be sure to be consistent with the message that we are sending our athletes about the expectations for participation in each of those sports. The goal of this policy is to avoid putting athletes in a difficult position between coaches and sports. To assist in this process, the following is guidance on this overlap:

Individuals that are participating in a sport currently in-season will not participate in another sport or activities for another sport until the conclusion of the in-season sport, even if the sport that will begin starts prior to the end of the first in-season sport. Absences due to other school participation in this circumstance will be considered excused.

When an individual is involved in simultaneous activities, there needs to be a meeting between coaches, participant, and AD as early in the season as possible to discuss logistics of such an arrangement. Determining precedence in attendance will be based on level of performance/competition. The precedence will be determined by the AD and the coaches involved and conveyed to the participants.

Parent Code of Conduct

Form 1 of 7

PRE-SEASON PARENT MEETINGS

It is mandatory that each coach (with the assistance of the Athletic Director) holds a meeting with parents and prospective players for his/her team in the pre-season. This will afford the players' parents the opportunity to get to know each other, the coach and the support staff. This will also provide the Athletic Director and the coach the opportunity to communicate any special rules or guidelines he/she may have for their team and anticipated expenses for the parents in that sport. **This is a mandatory meeting for parents. Athletes are not to attend.**

PARENT GUIDE You can play an essential role in helping your child learn the values of winning and losing. Below are some suggested topics you can discuss with your child in these situations.

Values of Winning Help your child learn the values of winning by: Offering congratulations for winning, and identifying and discussing the efforts made by individuals and the team; Recognizing the improvement and growth of both individuals and the team; Emphasizing competitiveness and doing one's best.

Values of Losing Help your child learn from losing experiences by: Crediting the other team; Crediting the play of his/her opponent; Focusing on improvement by individuals and team; Discussing what was successful; Discussing what, if anything, individuals or the team could have done differently; Accepting the loss, setting individual goals, and moving forward.

Conduct: The importance of parents behaving as model spectators cannot be overstated. Parent who support the rules of conduct as defined on the back cover of this guide provide a role model for other parents and students alike. Of particular concern are parents who harass officials or make comments in the stands regarding judgment decisions made by the coach. This is counterproductive and tends to destroy the values of good sportsmanship and the game.

Issue or Concerns What are appropriate issues to discuss with the coach? This is often the question many parents have when their children are participating in sports.

Parents Are Encouraged to Discuss:

1. The treatment of their child
2. Ways to help their child improve
3. Concerns about their child's behavior
4. Coaches' philosophy
5. Coaches' expectations for their child and the team
6. Team rules and requirements
7. Sanctions incurred by their child
8. Scheduling
9. College participation

Parents are Not Encouraged to Discuss:

1. Placement on teams
2. Playing time
3. Strategies used by the coach during contests
4. Other student athletes

Special Note: It is very difficult to accept that your child is not playing as much as you hoped he or she would. Coaches are professionals. They make judgment decisions based on what they believe to be in the best interest of the team. The coach must take into account all members of the team, not just your son or daughter.

Coach or Program Complaints: It is imperative that parents respect the position of the coach and direct any concerns to the coach first. If you wish to discuss a problem or issue concerning your child, begin by contacting his/her coach. Often the problem or issue is resolved at this level

Steps for Resolution

1. First contact the coach
2. Contact the A.D.
3. Lastly, contact the Senior School Administrator

Productive Communication Please make an appointment to speak with the coach prior to, or after game day, for productive communication.

Complaints about the Conduct of Other Schools (Players, Coaches, Parents, etc.): There are times when the conduct of Parents, Coaches, Players, etc. of other teams is not at the same level that we strive to uphold at PCA. When this happens, and yes I did say “When this happens”, ALL correspondence to the other school MUST go through the Athletic Director. That does not mean the Athletic Director is “copied” with the email that a parent has sent to the other school. It means the Athletic Director is the only one who is communicating to the other school. There are no exceptions to this policy. Failure to follow this policy could result in removal from participation in athletics at PCA.

I agree to comply with the above policies and procedures.

CODE OF ETHICS – ATHLETES

Form 2 of 7

Athletics is an integral part of the school’s total educational program. All school activities, curricular and extra-curricular, in the classroom and on the playing field, must be congruent with the school’s stated goals and objectives established for the intellectual, physical, social and moral development of its students. It is within this context that the following Code of Ethics is presented.

As an athlete, I understand that it is my responsibility to:

1. Place academic achievement as the highest priority.
2. Show respect for teammates, opponents, officials and coaches.
3. Respect the integrity and judgment of game officials.
4. Exhibit fair play, sportsmanship and proper conduct on and off the playing field.
5. Maintain a high level of safety awareness.
6. Refrain from the use of profanity, vulgarity and other offensive language and gestures.
7. Adhere to the established rules and standards of the game to be played.
8. Respect all equipment and use it safely and appropriately.
9. Refrain from the use of alcohol, tobacco, illegal and non-prescriptive drugs, anabolic steroids or any substance to increase physical development or performance that is not approved by the United States Food and Drug Administration, Surgeon General of the United States or American Medical Association.
10. Know and follow all state, section and school athletic rules and regulations as they pertain to eligibility and sports participation.
11. Win with character, lose with dignity.

A copy of this form must be kept on file in the Athletic Director’s Office at the local high school on an annual basis.

WARNING TO ATHLETES & PARENTS/GUARDIANS

Form 3 of 7

SERIOUS, CATASTROPHIC AND PERHAPS FATAL INJURY MAY RESULT FROM ATHLETIC PARTICIPATION.

By its very nature, competitive athletics may put students in situations in which SERIOUS, CATASTROPHIC and, perhaps, FATAL ACCIDENTS may occur.

Many forms of athletic competition result in violent physical contact among players, the use of equipment which may result in accidents, strenuous physical exertion, transportation and numerous other exposures to risk of injury. Students and parents must assess the risks involved in such participation and make their choice to participate, in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Just as driving an automobile involves choice of risk; athletic participation by high school students also may be inherently dangerous. The obligation of parents and students in making this choice to participate cannot be overstated. There have been accidents resulting in death, paraplegia, quadriplegia, and other very serious permanent physical impairment as a result of athletic competition.

By granting permission for your student to participate in athletic competition, you, the parent or guardian, acknowledge that such risk exists.

Students will be instructed in proper techniques to be used in athletic competition and in proper utilization of all equipment worn or used in practice and competition. Students **must** adhere to that instruction and utilization and **must** refrain from improper uses and techniques.

As previously stated, no amount of instruction, precaution, and supervision will totally eliminate all risk of serious catastrophic or even fatal injury. If any of the foregoing is not completely understood, please contact your school principal for further information.

Parent/Guardian Consent to Medical Care and Treatment of Minor Children

Form 4 of 7

Should an injury be sustained by your student, every effort will be made to contact the parent(s)/guardian immediately. Should the nature of the injury require immediate attention at a medical facility, the student will be transferred to the nearest facility in the best way possible for treatment and the parent(s)/guardian will then be contacted.

Hospitals may be reluctant to treat or care for children without consent from parents or legal guardians. This can cause problems if the child has a medical emergency when parents/guardians are not readily available to consent. Therefore, all parents must sign the Consent to Medical Care and Treatment of Minor Children below. In case of a medical emergency, this form will be taken with the child to the hospital.

I, _____, (please print) the natural parent/legal guardian

of _____, (please print) authorize and consent to medical, surgical and hospital care, treatment and procedures to be performed for my child by a licensed physician or hospital when, in the sole discretion of the attending physician, such care, treatment and procedures are immediately necessary or advisable in the interest of my child's health and well being, and it is not advisable to take the time to contact me in advance.

Under the circumstances set forth above, I elect not to be informed in advance of the nature and character of the proposed treatment, its anticipated results, possible alternatives, and the risks, complications and anticipated benefits involved in the proposed treatment and the alternative forms of treatment, including non-treatment.

From _____ to _____ (Dates) City/State: _____
Did student participate in sports? Yes No If yes, which sports? _____

IV. PHYSICAL

An annual physical exam is required for a student to participate in interscholastic authorized school practice sessions, preseason try-outs and summer programs in any sport.

I have read this form and will abide by its provisions. I hereby give my consent for the above-named student to participate in sports including regularly scheduled trips by supervised school transportation. I certify that all information provided on this form is accurate and understand that Parkway Christian Academy shares no responsibility in the payment of medical fees incurred by injuries to participants in its athletics program. I will keep the insurance named in force during the time my student tries out, practices, or competes in athletics. I agree to be responsible for the safe return of all school equipment issued to the student, and I will pay for articles lost or damaged beyond normal use.

Signature of Parent or Guardian _____ Date _____

Athlete Contract

I, _____ understand all rules and regulations set down in this athletic handbook of the athletic department at PCA. I understand that if I break training or any of the governing rules of my sport, during the school year or at any other time (i.e. summer programs, summer leagues, tournaments, etc.), I am subject to dismissal from that sport. It is my responsibility to get from each coach the rules for that particular sport.

The Coaches Code of Ethics

The function of the coach is to educate students through participation in interscholastic competition. An interscholastic program should be designed to enhance academic achievement and should never interfere with opportunities for academic success. Each student should be treated with the utmost respect, and his or her welfare should be considered in decisions by the coach at all times.

The coach shall be aware that he or she has a tremendous influence, for either good or bad, on the education of the student and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.

The coach shall uphold the honor and dignity of the profession. In all personal contact with students, officials, athletic directors, school administrators, the state high school athletic association, the media, other schools, players, fans, and the public, the coach shall strive to set the example of the highest ethical and moral conduct.

The coach shall take an active role in the prevention of drug, alcohol, and tobacco abuse.

The coach shall avoid the use of alcohol, illegal drugs, and tobacco products.

The coach shall promote the entire interscholastic program of the school and direct his or her program in harmony with the total school program.

The coach shall master the contest rules and shall teach them to his or her team members. The coach shall not seek an advantage by circumvention of the spirit or letter of the rules.

The coach shall exert his or her influence to enhance sportsmanship by spectators, both directly and by working closely with pep club sponsors, booster clubs, and administrators.

The coach shall respect and support contest officials. The coach shall not indulge in conduct which would incite players or spectators against the officials. Public criticism of officials or players is unethical.

The coach should meet and exchange cordial greetings with the opposing coach to set the correct tone for the event before and after the contest.

The coach shall not exert pressure on faculty members to give students special consideration.

The coach shall not scout opponents by any means other than those adopted by the league and/or state high school athletic association.
